

Breath To Breathe

G C/B C
There's a song that you've placed here in my heart

G C/B C
And it's one that I can't help but sing

G C/B C
For even if I tried, I know I would find

G C/B C
All of your creation would gladly take my place

Em D C
I know at times it seems I want to hold back everything

Em D C
Just the mention of your name makes me sing

Chorus:

G D Em C
I'll never let the rocks cry out louder than the voice you've given me

G D Em C
As long as I have breath to breathe, my lips will sing your praise

G D Em C
Until the day in glory when I find the finest melody with words to rhyme

G D Em C
As long as I have breath to breathe, I will sing your praise

G C/B C
Songs of praise and honor and blessing to the King

G C/B C
I give these gifts and hold them out to you

G C/B C
And though it's just a part of the thankfulness that's found in my heart

G Em C
This offering of my life's song I humbly lift to you

(Chorus)

Am C Em D
I will sing your praise, I will sing your praise
