

Citizens Of Love

key: C

C Am C Am
Bringing us together, one people and one song
C Am G F
Helping us to weather the storms that come along

C Am C Am
Love is neverending, something that's worth fighting for
C Am F G
We might lose some battles but we'll never lose the war

Chorus: C Am
Love flowing like a fountain
 F G
Moving all the mountains, doing the impossible
 C Am
Yeah love breaking expectations
 F G C
Building up a nation, making us all citizens of love

C Am C Am
Love is kind and love is patient, it won't envy, doesn't boast
C Am G F
Faith and hope are strong now but love can trump them both

C Am C Am
All our talk and knowledge, that stuff will pass away
C Am F G
While so many things are fading, love is here to stay

(Chorus)

C Am C Am
We say that it's amazing, and overflows with grace
C Am F G
It washes over broken hearts and it carries us away
