Play, play, play that tune, brothers, sisters in the room
 F# **A** **B** **D**
Everyone come on, come on and sing this song

E - F# **A - B**
We like to play it loud, we make a lot of noise
E - F# **A - B**
We got a crazy crowd, all the girls and boys
E - F# **A - B**
There's something going on bigger than you and me
D **B**
Everybody on your feet, say

(Chorus)

E - F# **A - B**
We know that life is good, we've come to celebrate
E - F# **A - B**
And get together here, cause God is in this place
E - F# **A - B**
He loves us here and now, and for eternity
D **B**
Everybody on your feet, say

(Chorus)

Everybody!
