

# No Turning Back

**A** **F#m**  
I tested the water slowly, now I'm jumping in there fully  
**E** **D** **A**  
It's sink or swim, so count me in, I'm ready  
**A** **F#m**  
I'm tired of imitations that bore my imagination  
**E** **D** **A**  
Leave out the fake, give me today the real thing  
**B F#m Dm [2 bars]**  
Cause I'm letting go

Chorus 1: **A** **E**  
From the sideline, now it's go time  
**F#m** **D**  
Made up my mind to give it up and get on this ride  
**A** **E**  
So I'm on board, both feet out of the door  
**F#m** **D**  
And there is no turning back for me  
**A** **E** **F#m** **D**  
No turning, no turning, no turning back for me (repeat)

**A** **F#m**  
Give me the chance, I'll take it, put me in the race, I'll make it  
**E** **D** **A** **G-D-A**  
I'm soaring today on this leap of faith, it's crazy  
**A** **F#m**  
If I fall off the horse, I'll get up, make a comeback and never let up  
**E** **D** **A**  
Cause you gave it all, so I'll answer the call you're making  
**B F#m Dm [1 bar]**  
And I'm not a - lone

Chorus 2: **A** **E**  
Now I'm seeing and believing  
**F#m** **D**  
I can finally be alive and you're the reason  
**A** **E**  
Out I'm stepping, no second guessing  
**F#m** **D**  
And there is no turning back for me  
**A** **E** **F#m** **D**  
No turning, no turning, no turning back for me

**solo section chords:**

**B F# G#m E**

**B F# G#m E**

**A** **F#m**  
I tested the water slowly, now I'm jumping in there fully  
**E** **D** **A**  
It's sink or swim, so count me in, I'm ready

**A** **E** **F#m** **D**  
No turning, no turning, no turning back for me

**A** **E** **F#m** **D**  
Fill me up til I'm full, let me be surprised  
**A** **E** **F#m** **D**  
I'm holding on for this ride of my life  
**A** **E** **F#m** **D**  
I know that I'm invited for more than I could ever ask  
**A** **E** **F#m** **D** **A**  
Why would I ever settle for less than that, no turning back
