D E **G A**
I'm feeling wired and not so tired
D E **G A**
Boredom - you're fired, yeah come on let's go
D E **G A**
Like dyna has mite, we rock the campsite
D E **G A**
Sparked up, we ignite, we're ready to blow
C B
Yeah, yeah, yeah

Chorus: **D E** **G A**
This is love and I'm ready to go
D E **G A**
We've been created and wired to know him
D E **G A**
Cue up the band, lift up your hands
D C B D E
Make some noise, take it higher, get wired

E **G A**
I am fantastic, I'm fantastic, see my schematic
D E **G A**
Such a fanatic because I am saved
D E **G A**
So go and plug it, don't sip, just chug it
D E **G A**
No handshake - hug it - his glory and grace
C B
Yeah, yeah, yeah

(Chorus)
